USPA NEWS - Patriotic American Must Save the Nation from Biden & Harris and Vote for Donald Trump

The patriotic public of United States, especially the Afro-American, the American Muslims and the American ethnic minority members of the community have been urged to vote for the former President Donald Trump to be the next President of United States of America, said Shazada Hayat President UICF (UK) and international community welfare campaigner.

President Joe Biden and Vice President Kamila Harris have both destroyed the very fabric the United States of America was established on: justice, democracy, freedom and liberty. Instead of the true American values enshrined into the United States constitution, both Biden and Harris have brought shame on the world's great powerful nation, and have violated the American constitution in the process. They have supported Prime Minister Benjamin Netanyahu of Israel to carry out heinous crimes against the defenceless Palestinian men, women and especially children, making them victims of genocide.

Never before in history, but only under the current President Joe Biden, has the United States been accused, on many occasions, of supporting genocide and gross violation of human rights. The peace, loving people around the world are shocked that President Joe Biden, instead of stopping and preventing PM Netanyahu from carrying out the mass destruction and genocide, is in fact helping and supporting him and providing him with deadly weapons to continue to carry out the slaughter and the carnage. The world is shocked as a result of President Joe Biden's inability to act as a world's statesman, a President of the most powerful country in the world, the USA.

President Joe Biden has been incapable of stopping the evil perpetrator Prime Minister Benjamin Netanyahu, but in fact he has supported him in his heinous crimes against humanity. Which has brought condemnation and shame on the great American nation. The carnage continues to be witnessed against the defenceless people in Gaza, Palestine. This is the worst crime against humanity ever witnessed by the world described by the peace, loving people around the world as pure evil.

Shazada Hayat said, Over 50,000 defenceless Palestinian men, women and especially children have been slaughtered by Prime Minister Netanyahu. 30,000 of which were innocent young children and babies blown to bits, burnt alive and starved to death.

The killing and carnage have been indiscriminately carried out under the orders of PM Benjamin Netanyahu. President Joe Biden has exposed the world's most powerful country, the United States, to be no different than any third world country that is controlled by the internal and dark forces. The United States is unable to do anything with regards to its foreign policy, which is dictated by the enemies of United States and not the United States. Therefore, Joe Biden the President of America does not have any control over the USA, but in fact it is Prime Minister Benjamin Netanyahu has the control over president Joe Biden. President Joe Biden has shown the world that America is also like any third world country, controlled by the enemies of America and Benjamin Netanyahu and he is a puppet, powerless and controlled by PM Benjamin Netanyahu and controlled by PM Benjamin Netanyahu.

Shazada Hayat went on to say, No American President in history has received such an overwhelming standing ovation as Benjamin Netanyahu has received in the Congress. This is for the man who has tortured and carried out the most heinous crimes against humanity and genocide. It's sad and shameful to see the American Congress honouring a tyrant in this manner. As a result, of the evil genocide carried out by PM Benjamin Netanyahu, supported by President Biden and Vice President Kamala Harris many innocent peace, loving Jewish and Palestinians have lost their lives. Also, the fact that the American taxpayer has been made to foot the bill of billions of dollars for the genocide that has been carried out against Palestine in Gaza by PM Benjamin Netanyahu. Both President Joe Biden supported by vice President Harris and Prime Minister of Israel Benjamin Netanyahu, have compromised the safety of the innocent Jews and the Americans around the world. The killing spree in Gaza and the genocide supported by both the USA President Joe Biden, Vice President Kamala Harris and carried out by PM Benjamin Netanyahu makes all three of them covered

up to their armpits in the blood of the innocent Palestinian men, women and especially the young defenceless children.

It is a fact that the US Democratic Party has removed President Joe Biden to be their next candidate to run for President of USA. This

is because his own party has found his behaviour shocking and unacceptable.

The sad thing is they have replaced President Joe Biden with Kamila Harris, who has been the biggest supporter of President Joe Biden and supported the genocide in Palestine. Therefore, she is a different wolf with the same sheep's clothing.

The great American Presidents George Washington, Abraham Lincoln and John F. Kennedy must be turning in their graves as to why and how can the great American public allow this to happen to the mighty great powerful America. How can they allow the United States of America be controlled, like a third world country by a few, such as the notorious PM Benjamin Netanyahu who has put the power and dignity of the great American people in peril.

President Joe Biden, supported by Vice President Kamila Harris has deliberately handled the Russia / Ukraine crisis very disastrously. As a result, hundreds of thousands of Russian and Ukrainian soldiers have lost their lives and the destruction is beyond comprehension. The American patriotic public must defend the security and integrity of America from Vice President Kamila Harris. The patriotic American public is therefore urged to save America and the world from World War III. Kamila Harris is an impostor and she has her own agenda and the agenda of the dark forces.

The patriotic American public therefore must support, in the national interest and world order, and vote for the true legitimate son of America, the former President Donald Trump, as the next President of United States of America on 5th of November 2024, said Shazada Hayat.
